

Dear Resident,

As you know we are reviewing proposals to provide police services to other Villages. We will be continuing this discussion at **8:00 p.m. on Wednesday, September 8, 2021** at the regular Board of Trustees meeting. Please check the Village website, www.muttontownny.gov, for further information as it becomes available.

We encourage any resident with questions, comments, or concerns to attend. As always, we can be reached at 516-364-3476 if we can be of assistance.

Regards,
Dr. James Liguori
Mayor
